

2010 SPONSORSHIP RECRUITMENT REWARDS FOR OUR MEMBERS

Sponsorships provide financial support to our organization so that we can improve the services provided to our members, increase opportunities to golf at affordable prices, and increase our support to not-for-profits such as Susan G Komen Breast Cancer Awareness and other local not-for-profits that we support from year-to-year.

Together we can all help our organization increase our sponsorships. Each member who is responsible for bringing in new sponsors will be recognized with the following “Thank You” gift(s).
